Has your child left you behind in the technology stakes? Update your computer skills easily online now with video tutorials and classes, many of which are free. Video tutorials, vodcasts and webcasts are the easiest way to learn about technology because you can watch example tasks being performed on screen while you listen to the explanation. Get started now at:

### Head Lice

Please check tonight and regularly every Friday. We can never completely eradicate this problem, but if we all work together, we can at least contain their spread.

## Housekeeping Reminders.....

### SCHOOL CONTRIBUTIONS

There are still some families who have not yet paid school contributions. The school contributions have remained at **\$35.00** per child this year. This will help cover the cost of school resources that are regularly used in the classroom. This is the only major contribution we ask from families apart from school excursions later in the year.

**Could this please be paid as soon as possible.**

Please feel free to come and see me if you have any concerns with payment.

## **Have a Laugh.....**

A woman has twins, and gives them up for adoption. One of them goes to a family in Egypt and is named 'Amal.' The other goes to a family in Spain; they name him 'Juan.' Years later, Juan sends a picture of himself to his mum. Upon receiving the picture, she tells her husband that she wishes she also had a picture of Amal. Her husband responds, "But they are twins – if you've seen Juan, you've seen Amal!"

\*\*\*\*\*

The bad and ugly king had a beautiful girl as his captive. Though her beauty shone like a thousand moons, the dress she was forced to wear was very unbecoming. She waited day and night, looking out with hope out the dungeon window, searching for the knight who would free her.

However, every knight was scared away by her dress, which, as I've said before, was very ugly. She was crying in hopelessness when the evil king jeered, "See, I told you no knight would rescue a damsel in this dress!!!"
